Kay Kenady Sanger has been elected the new President of the EIF, replacing Barbara Hinton who stepped down from the position after four years as President. Kay Sanger lives in La Jolla, California, and has had a long interest in Easter Island. She has a Masters Degree in Anthropology from UCLA.

Our sincere thanks to Barbara Hinton who worked so effectively as president and who played a crucial role in the successful the South Seas Symposium in Albuquerque last year. Tom Christopher of Troy, Michigan, has become the 1st V.P. and C. Stevenson 2nd V.P. Former vice-president, Georgia Lee, has been named Secretary and Publications Director. New to our Board of Directors is Sidsel Millerstrom, who is now completing her Ph.D. in Anthropology at the University of California, Berkeley. Sidsel is well-known for her work in the Marquesas Islands.

 Congratulations to UNM graduate student, Vince Stefan, who has been awarded a travel grant by the Easter Island Foundation in order to assist with the acquisition of comparative data necessary for his doctoral dissertation: "Craniometric variation and biological affinity of the prehistoric Easter Islanders: Their origin, evolution, and place in Polynesian prehistory."

**EASTER ISLAND FOUNDATION
BOOK SALE FUNDRAISER**

OUR FIRST USED BOOK sale fundraiser has been successful and we would like to expand it with the help of our many Rapanuiphile friends. If you have duplicate books, or ones that you no longer deem essential to your Easter Island library, donate them to the Easter Island Foundation. We will acknowledge your gift with a receipt for the current wholesale value (1/2 the retail value.) In most cases this will be more than you originally paid, so you will gain a nice tax deduction along with some shelf space, and your book will find a loving new home. The Mulloy Library will, of course, have first right of refusal before any books are offered for general sale.

The EIF still has some of the books advertised in our last issue. Many of these are rare and valuable; others are out of print, and certain ones may be of interest to general Polynesian studies. If you are interested in any of the following, contact us via fax: (805) 534-9301, or email: <rapanui@compuserve.com>
